A reminder, "Out Of The Shadows" is a monthly Art Exhibit held at the Carriage Inn, Ridgecrest, CA. Currently there are nine events per year (1 per month, Feb-Oct). Sponsored by the China Lake Naval Museum & Carriage Inn, with Grant Funding from individuals & the Business Community. These events serve several purposes:

- *The Out Of The Shadows art series is an effort to get the public (local & tourist) engaged in seeing some works of art from local and other participating artists
- *A forum for young upcoming artists to mingle and learn from others and, to showcase their talents to the general public.
- *Perhaps a real confident builder for some of our upcoming talented and younger generation, like 9-12th graders and Cerro Coso Community College participants.
- *A continuing effort towards keeping the public aware of a Navy Museum that preserves and displays unique achievements in naval air armament and technology and; through its' "Education in Science & Engineering Programs", challenge young minds to excel in the math and science studies.

Past sponsors of these events were Jacobs Technology Naval Systems Group and NDTI.

For this event only, there will be a "Gate Fee" of \$5.00 per person for Non-Participating artists. This fee will help defray entertainment and hot hors d'oeuvres costs during the evening. A cash bar is available to the public. **No charges to participating artists.** Artists wishing to show some of their works should contact Pat for space information at 760-446-7910, no later than Wednesday 28 July 2010.
